Once you are viewing your portraits select a pose you would like to purchase. Then click on "Order Prints/Products" on the bottom right hand side of the screen.

You will be able to view all of our packages, single prints, graduation announcements and thank you cards including basic retouching and many more specialty products.

When you complete a Senior Portrait order within 3 days of your portraits being online a 10% discount will be applied.

Most of our packages include basic retouching and wallet personalization. We offer the packages at a discounted rate.

We do offer the option to add basic retouching for any pose; typically \$9.95 per pose. Once the basic retouching has been purchased, any prints you order of that pose will automatically be printed with the retouching added.

When you purchase a digital image or our CD you will have the copyright release form, which means you may use and do anything with those portraits you desire.

Please keep in mind all of our images are copyrighted, meaning you are not permitted to use any of our images for any purpose without our approval or a copyright release form. This includes but is not limited to Graduation Announcements (not printed by Ro-Mo Photo), duplicate prints and/or Yearbook Ads.
