

Seniors 2019

This is it! Your final year of your high school journey is finally here. We want to make sure your year is documented thoroughly. Senior portraits, homecoming, sports, prom, clubs, cap and gown, and graduation. You won't want to be left out of any!!

We have made it convenient for you to get your senior portraits made. You can book an appointment in the comfort of our studio, located in Panama City. You may call, text, or email us to see appointment options. These summer appointments fill up fast so do not hesitate on calling.

Your senior summer portrait session will consist of several casual poses in your favorite outfit with additional poses in your senior formal attire provided by Ro-Mo Photo. If you would like to bring any personal props or attire for your casual personality portraits please do so (sports balls, letterman jacket, golf clubs, fishing or hunting, dance, music, etc..)

Due to specific format design and software requirements, only senior portraits taken by Ro-Mo Photo Studio will be eligible to be produced in the yearbook. There is a session/yearbook production fee that is the responsibility of the student and is collected at the photo session time.

During the summer months the session fee is \$20.00 and you get to select your favorite yearbook portrait. If you wait until after the school year begins, the session fee increases to \$30.00 and your yearbook portrait will be chosen for you. It is your responsibility to make sure your portrait will be in the yearbook. Don't miss out!
