

Senior Portrait Proofs Available Online

Once your Senior Portraits have been taken it may take between 2-4 weeks for your proofs to be available for viewing online. If you do not have access to view your proofs online you may come into our studio during business hours and we are able to review them with you.

In the event you need the proofs in a paper form the fee is \$30 and you'll get to keep the proof copy.

When your proofs are available online we will send a text message to both the senior and the parent or guardian. We use the phone numbers that were provided at the time of check in.

You will need the password that was assigned to you at the time of check in to view your proofs. If you forgot your password or need to change it please call our studio for further instructions, you may be required to verify some information.

Your Senior Portraits will be available online for 5 weeks. After 5 weeks you will need to call our studio at 850-769-6276 or email our studio at romostudio@knology.net. You must include the school name and the student's name including your 4 digit password.

****When you place an order within 3 days after your portraits have been put online you will receive a 10% discount on your entire order. ****
